Subject: Update on Availability of Gold Kist products for the 2016-2017 School Year

In June, our company provided a projected plan for the availability of Gold Kist School items produced at our Waco, TX facility for the 2016-2017 school year. As a part of our plan, we strategically strengthened our internal operations to reinforce our long-standing commitments to food safety and the provision of the quality products you have come to expect and enjoy from Pilgrim's. Given on our ongoing efforts to safely and efficiently bring Waco back to full capacity, we would like to provide you with the latest information regarding our previous projections. We will continue to provide further updates over the coming weeks as more information becomes available.

Adjustments to previously issued statement:

The following items have sufficient inventory for all new and current customers

1230	Diced Chicken Strips
1325	CN Chicken Fajita Strips
1330	Dark Meat Menu Chicken Strips

The following items have limited inventory but are available for current customers

7516	Chris P Whole Muscle Chicken Breast Filet
7517	Chris P Whole Muscle Chicken Spicy Breast Filet

The following items have sufficient inventory for Districts who have diverted to small bird chickens

7812	Whole Grain Breaded 8 piece parts
8820	Roasted 8 piece parts
88013	Roasted 4 piece parts (Breast and Thigh only)

The following four items have limited inventory and additional orders cannot be accepted at this time

665400	Homestyle Whole Grain Chicken Patties
6116	PHD Whole Grain Chicken Nuggets
6216	PHD Whole Grain Chicken Strips
6616	PHD Whole Grain Chicken Patties

We apologize for any inconvenience caused by these production adjustments. We continue to work diligently to return our Waco facility to full capacity.

If you have any questions or concerns, please contact me or your Pilgrim's/Gold Kist regional representative. We look forward to working with you to meet your program needs.
